Tel.: +41 (0)44 255 3298

Sponsoring:

November 29th - 30th 2012
University Hospital Zurich
Zurich, Switzerland

Scientific Program

Thursday, November 29th 2012

General aspects of lead extractions

- 13.30** Welcome
Volkmar Falk, Christoph Starck, Zurich, Switzerland
- 14.00** A single center experience with more than 1000 lead extractions
Thomas Morgan Knutsen, Oslo, Norway
- 14.30** Sprint Fidelis, Riata,...: Management of failed leads
David Hürlimann, Zurich, Switzerland
- 15.00** Coffee Break
- 15.15** INTERACTIVE CASE SESSIONS
- 16.00** Immediate re-implantation following lead extraction
Aristides Alarcon, Seville, Spain
- 16.30** Break
- 16.45** Risk score for lead extractions
David Pearce, Cook Medical
- 17.15** Industry perspective: challenges, expectations, device related complications, endpoint, principles, reality
Louis Goode, Cook Medical
- 20.00** Dinner

Friday, November 30th 2012

Technical aspects of lead extraction procedures

- 08.30** The Needle's Eye Snare as a primary tool for pacing lead extraction
Frank Bracke, Eindhoven, The Netherlands
- 09.00** The internal transjugular approach: when and how?
Maria Gracia Bongiorni, Pisa, Italy
- 09.30** Coffee Break
- 09.45** Transatrial lead extraction in complex cases
Cesar Khazen, Vienna, Austria
- 10.15** Extraction management of ICD leads
Mark Gallagher, London, UK
- 10.45** Break
- 11.00** Management of complications of lead extraction procedures
Christoph Starck, Zurich, Switzerland
- 11.30** Lunch
- 13.00** CONTROVERSIAL DISCUSSION: Prophylactic change of leads during device exchange?
- 14.15** End of the Meeting
