Scientific Program

Monday, December 2nd 2013

General aspects of lead extractions

- 13.30** **Welcome**
Volkmar Falk, Christoph Starck, Zurich, Switzerland
- 14.00** **What do we learn from the Maude Database?**
David Hürlimann, Zurich, Switzerland
- 14.30** **Coffee Break**
- 14.45** **INTERACTIVE CASE SESSION**
- 16.00** **Management of device infection: Approaches, pacing strategies, reimplantation timing**
Thomas Knutsen, Oslo, Norway
- 16.30** **Break**
- 16.45** **Cook Medical: What's new? ...and what will be new?**
David Pearce, Cook Medical
- 17.15** **Extraction of epicardial leads**
Cesar Khazen, Vienna, Austria
- 20.00** **Dinner**

Tuesday, December 3rd 2013

Technical aspects of lead extraction procedures

- 08.30** **Extraction of Riata leads: Special procedural aspects**
Frank Bracke, Eindhoven, The Netherlands
Michael Döring, Leipzig, Germany
- 09.00** **Extraction of coronary sinus leads and special aspects of TLE procedures in CRT patients**
Amir Zaidi, Manchester, United Kingdom
- 09.30** **Coffee Break**
- 09.45** **First experience with new extraction devices: Evolution R/L, One-Tie**
Christoph Starck, Zurich, Switzerland
- 10.15** **Extraction of lead fragments**
Heiko Burger, Bad Nauheim, Germany
- 10.45** **Break**
- 11.00** **Extraction of leads in abnormal anatomic positions**
Joachim Winter, Düsseldorf, Germany
- 11.30** **Lunch**
- 13.30** **CONTROVERSIAL DISCUSSION: Prophylactic change of leads during device exchange?**
Jan Steffel, Zurich, Switzerland
- 15.00** **End of the Meeting**
